
American Sniper, one of the highest-grossing films in history, is finally available to download in high definition. This blockbuster hit has captured the hearts of millions around the world, but if you're not living somewhere with access to legal downloads you've been missing out on quite a lot. However, that's all changed now that American Sniper is here for you to enjoy at home! The award-winning 2014 film stars Bradley Cooper and tells the story of U.S. sniper Chris Kyle and his exploits in Iraq. It is based on the autobiography of the same name. The film has received rave reviews from critics and audiences alike, with a 94% rating on Rotten Tomatoes. As well as being incredibly action-packed, there's also plenty of emotion in the story, giving you plenty to feel for in this two-hour plus epic tale. American Sniper is really popular right now, so it's no surprise that fans are eager to download the movie and show their support by adding it to their collection. This is your chance to see what all the fuss is about before it hits DVD later this month. Here's your chance to get American Sniper in positive HD quality! If you're not already enjoying this film for yourself then this is an excellent opportunity to join the millions of others who have already got behind this movie.
