The mother of the young woman in the hospital has retained the services of veteran attorney and licensed psychic Ira Jay Todd, who claims to be the world's foremost in his field. Attorney Todd, who has regularly consulted with police and prosecutors in murder cases, reports that the woman is pregnant and her husband is also missing. Todd says he has been consulting with the woman, whom he has not identified, and with the police investigating her husband's disappearance and other reported disappearances, in the hope of coming to a consensus as to the suspect.
