При изменении размеров формы, появляется округление. Столкнулся с такой же проблемой, как с размером фото. На первый раз подставляю размер формы по значению final int expectedWidth = 200; final int expectedHeight = 200; и получается нормально с размерами изображения и на первый раз не округляется отрисовка. Как исправить? A: Напишите функцию для получения изображения по указанным размерам, а потом вычисли

Sicilian dressing recipe Sicilian dressing recipe, one of the best Italian salads 40 Best Italian Dressing Recipes | Dried Beef & Italian Style Salad Ever since my visit to Sabatino's Italian Restaurant here in L.A., I've been making this dressing regularly at home. The last time I made it I added a little bit of Sriracha sauce for more heat. I also added fresh dill and chives for some freshness. It's that simple. I'm so glad I found this recipe! It's a classic. I love it! Sabatino's Salad Dressing recipe Sabatino's Salad Dressing - The Original - Italcravings Sabatino's salad dressing recipe is one of the best, and I mean one of the best.
