Lamborghini Huracan Performante is a sports car produced by the Italian sports car manufacturer Lamborghini. The Huracan is a successor to the Miura and Gallardo which is produced in the Italian city of Sant'Agata Bolognese. Huracan Performante is the last model of the long-running lineage of the Lamborghini sports car. The second generation model is also the first model of the LM002 platform, the fifth generation of the Murciélago, after the Gallardo and the Aventador. Numerically, it is the ninth model of the current generation. Since the debut of the Murciélago in 2004, the Lamborghini Corporation has designated the car as the GT in order to describe its potential as a sedan model as well as an executive sports car. Lamborghini decided to produce the Huracan to compete with the sports cars of the Mercedes-AMG and the Ferrari, and it was released in the middle of the 2016 model year
