Feb 4, 2558 BE We can't wait to have you over, and you should be excited to be asked, too! Please have your list of people to invite (as well as their addresses, phone numbers, e-mail addresses and work and home addresses) ready. We'd love to have you and your loved ones over for a potluck supper. And since this is an open house, we'd like to invite you and your guests to come in and take a look around. You can just bring yourself (or your guest) and come look around if you like; just leave a list of the people you're inviting. As the house is very small, it's easy to get lost in. Oh, and there's a smaller house next door, too, so come and check out the neighbors. They are friendly, too, as they need to be with the likes of us, but they're a good lookin' bunch.Zinc sulfate prevents and reverses methotrexate-induced damage of cultured epithelial cells of the fallopian tube. Zinc sulfate (ZnSO<sub>4</sub>) was studied as a protective agent against methotrexate (MTX)-induced injury of the epithelial cells of the fallopian tube. The cultures were treated with various concentrations of MTX and ZnSO<sub>4</sub> for various times. The effect of the combination treatment on the various parameters were determined and compared. MTX induced a dose- and time-dependent increase in the cytotoxic effect and in the activation of caspases-3, -8, and -9. ZnSO<sub>4</sub> (1 mM) prevented the induction of apoptosis by MTX and activated the caspases-3
