## System Requirements:

STORY The world may be burning, but you won't feel a thing as a new Linken's Sphere arrives on the DS. This latest instalment of the classic game features some updated gameplay features and systems. However, do not fear: the story remains the same. In this entry into the Legend of Zelda series, you'll need to take up the role of a young man who sets out to save the Princess Zelda from the clutches of the evil Ganondorf. Armed with the Spirit Boards of good and evil, you'll travel the world of Hyrule and
