Keymacro takes the keystrokes from other programs and embeds them as shortcuts to other programs. All you need to do is set them up. How to use:

1. Download the Keymacro

Free 2.0 Beta v1.2.0 2. To make a macro, press a hotkey (or a key sequence) and you'll see a menu. Simply select the program you want a shortcut to, and then press the hotkey (or key sequence) you want the shortcut to start. 3. You can reorder the hotkeys you created. The hotkeys you create are always shown first. 4. Once created, a shortcut will appear for that

hotkey (or key sequence).

Just double click on the shortcut to start the application. 5. If you want to delete a shortcut, right click and delete. 6. Press the hotkey (or key sequence) to see what your macros are. 7.

There's a lot more you can do. More information can be found at the product website.

What's New in the IDEaS?

Go Go Home is a japanese
social game by COMICS.
CO., LTD that is designed to
entertain kids and to bring
them closer to each other. As
of Jan 2011 it's still the only
game in the

COMICS.CO.NET app that uses a free to play model. In Go Go Home kids can play a variety of games in a playful setting. Go Go Home features a storybook mode, a dress up mode, an ordinary mode, a quiz mode and a free roam mode. The games are played with the touch screen. A number of puzzles in the game require a combination of the virtual touch screen and the free

roam mode. Kids are presented with different characters in the game. They can look at their friends, play fun games with their friends, take a look at the story and the quiz mode, play dress up, learn something from the interactive book and complete the puzzles. As kids play the game they can earn virtual money. The virtual money can be used for playing games, buying

dress up items and decorating the house of the kids. They can also exchange the virtual money for goods in the real world, such as toys or clothing. The games offer various different content which kids can explore and enjoy. - Game modes: Story Book, Free roam - Characters: characters are divided into two classes: girls and boys - Free roam: kids can play

around freely - Dress up mode: kids can dress up their characters and themselves - Challenge mode: kids can take on a quiz to earn virtual money - Timer: kids can play against the clock - Dress up mode: kids can play with friends with dress up games
