## **Bibleworks 10 Utorrent Free**

We are pleased to announce a new free update for BibleWorks 10. BW10 now comes with the Erdman Bible Dictionary. When you hover your mouse over English text... you get the translation. By clicking on the text in English, you get the same text in Latin. When you read a text in Latin, you get its translation. This works for both English and Latin texts. If you open the Latin page in translation, you will see that it contains English text. New Erdmann Dictionary In addition, you can now use Erdmann's Dictionary if you want to check the Latin translation.
