
Activation Inventor Professional 2012 Portable

I tried to install Inventor professional 2012, but after downloading, I don't see any programs that says Inventor professional 2012 but says "You there is a product Inventor professional 2012". I can't access the program that should run my drawings. I can't find anything in the C:\Program Files\Autodesk\Inventor\Products directory. Please help me thanks Inventor Professional 2012 does not download to the Program Files folder. In this case, you will need to use a different location. Depending on your operating system, you may be able to specify a location for Inventor Professional 2012 in the taskbar.
