competence, professional standard, FSES, professional activity At the present time the Russian education system is undergoing at the present time the system of Russian education is undergoing significant changes aimed at improving the quality and accessibility of education. of education. In this regard, professional competence is becoming the main condition for the quality of professional activity. IN THE FSES supplemented by professional standards provide transition to professional standards. In this regard, as rightly noted in publications, "professional standards become the professional standards become the constructive tool, which will allow the professional community with the participation of employers to develop a unified for all countries to develop a unified mechanism to determine the qualifications that must professional standards" [1, p. 31]. In our country professional standards should be created in accordance with the provisions of the Federal Law dated 01.12.2014 N 382-FZ "On Amendments to Certain Legislative Acts Russian Federation on the issues of compulsory social insurance". According to

---

this law professional standards may be applied in order to: Assessment of the professional knowledge of the employee; formation of a staff schedule; development of job descriptions, establishment of qualification requirements to applicants for vacant positions; compliance with the basic principles of selection and appointments to positions in the internal affairs bodies; observance of guarantees of protection of personal data of personal data of employees of internal affairs bodies in the course of their processing in information systems of internal affairs bodies; combating corruption in the internal affairs bodies

5. 5. Ensuring the activities of the commission

5.1. 5.1. The chairman of the commission shall manage the activities of the commission. In the absence of the Chairman of the Commission, his duties shall be performed by his deputy. Meetings of the commission are held as necessary, but at least once a month. A meeting of the commission is considered to be legally competent if at least half of its members are present. Minutes of the commission meeting are to be kept which indicate the reasons for the decision, the results of

---

the vote and the decisions made. Each commission member has one vote. The commission makes decisions on issues within its competence by open voting.
