What's New in the?

Description: Icon Link Description: Description: Rounded Free Objects Icons Set Creative use of simple free object icons results in a beautifully cohesive package of free objects that's perfect for any project. Looking for the perfect eyeball icon, or searching for a stylized waving flag? Our collection of free objects icons offers these items as well as colored buttons, thumbtacks, sports equipment, multimedia gadgets, and much more. All of the icons in this set have been created to strike a perfect balance between looks and intuitive representation, so your users will easily be able to navigate their way through your project as they enjoy the beauty and simplicity of your icons. As a result of our careful and modern icon design, you can expect free objects that look great together in any combination, and which make a convincing set no matter how they're used within your project. The same rounded edges, shiny finish, and smooth lines can be found in all of our free object icons, lending a distinctly manicured look and bringing the visual elements of any program or page together into a unit. The icons featured in this collection are available in a single, yet ample, size of 48 by 48, which makes them perfect for a wide variety of uses. In addition, all the items from this package come as BMP, ICO, and PNG formats. No matter the precise type of program you're creating or the specific project you envision, these bright and memorable objects will enhance your finished project and let you focus on the development work that you do best. Try It Free Get your hands on this set of free object icons and learn how to easily use them to create your projects.
