June 23, 2018 - PDF created: 2019/07/30 15:43:03 . Elementary Algebra is designed to meet the volume and sequence requirements of a one-semester course. The textbook is written taking into account the latest achievements in elementary algebra. The book is an original presentation of a course in elementary algebra. Its difference from traditional textbooks lies in the detailed consideration of issues that are usually left outside the scope of a school textbook. The textbook is intended for classes with in-depth study of mathematics. It contains a large number of examples and detailed discussions of problems. For students in classes with in-depth study of mathematics. 6th Edition
