Sound Forge (11 10 9 8)Â .Q: Meaning of "heavy and cheeky" Some sentences from the book/movie Unforgettable. Even if her class was in a daze, she never, ever had the least idea of what was going on. But, if you have ever sat between a guy and a piece of heavy and cheeky machinery, you will understand. The meaning of 'heavy and cheeky' is not clear to me. A-heavy: meaning of heavy B-cheeky: meaning of cheeky A: It is perhaps the heaviest of machinery—really heavy, not just light—that determines the character of the machinery. There is also "cheeky" as a possible meaning, meaning "bold, boldfaced, self-assured, and positively forthright." 1. Field of the Invention This invention relates generally to the field of packaging materials, and more

specifically, to films for containing and displaying information. 2. Description of the Related Art Instructional films, such as used for packaging of foods, are often used to provide valuable information about the product to the consumer. Such packaging may include a movie or movie segment to provide additional information to the consumer regarding the product. More sophisticated packaging materials include those that have a printed, digital, or magnetic (such as a "floppy")
