The data-driven gameplay philosophy has driven the development of FIFA 22, as the developers don't want to rely on "copying" players from games like PES or simulating them using AI. They want to create a game that is unpredictable, immersive and authentic to the real football experience. Key Features of FIFA 22 include: All-Time Team of the Year. Unlock the opportunity to assemble your favorite squad with all-time legends, including a new club icon, the BBC Radio 5 Live Football Coach of the Year and, for the first time in FIFA, the BBC Radio 5 Live Football Coach of the Decade. All-Time Team of the Year. Unlock the opportunity to assemble your favorite squad with all-time legends, including a new club icon, the BBC Radio 5 Live Football Coach of the Year and, for the first time in FIFA, the BBC Radio 5 Live Football Coach of the Decade. New Playmaker Creator. With Create Your Player, you can craft your own FA Cup-winning centre-forward who can play two positions to score all kinds of goals. New Playmaker Creator. With Create Your Player, you can craft your own FA Cup-winning centre-forward who can play two positions to score all kinds of goals. All-New Moments. With the enhanced Moment Engine, players can become a hero in all kinds of situations. Whether you cross a ball into the top corner or sprint down the centre to win a free-kick, the enhanced Moment Engine allows for more and more precise control of your ball touches. New Moments. With the enhanced Moment Engine, players can become a hero in all kinds of situations. Whether you cross a ball into the top corner or sprint down the centre to win a free-kick, the enhanced Moment Engine allows for more and more precise control of your ball touches. All-New Transfer Market. Experience an all-new transfer market in FIFA 22, where you can send out players on loan, buy players or sell players before any competition to strengthen your squad. Presentation Hover Over the Icon to See Key Features of FIFA 22 FIFA 22 game presentation also sees the introduction of new features and improvements from FIFA 18 to deliver the most immersive and emotional gaming experience on PlayStation 4. The new engine, which is now built from the ground up using new technology and creating a stronger, more effective connection between player and pitch, is also designed to deliver greater compatibility and connectivity

---

## **Features Key:**

- Live your dream: Stake out a claim for the future of soccer with a ball at your feet.
- FIFA 22 lets you play and manage any combination of players from any club in the English Premier League, and virtually any player from across the globe.
- Control over 10 stadiums from around the world, including the new MetLife Stadium in New York.
- Revamped Player Career mode allows you to play exactly how you want using five different routes – to play professionally for your country, to build your club from the bottom to the top, to manage a team with a global following, or to build a new and famous team around your own style of play and build your own following.
- Introduces ‘HyperMotion Technology’ which features real-life players playing in motion capture suits.
- Introducing United Passes, our most powerful tech in FIFA to date. With United Passes, every touch by your teammate touches the ball, changing how you attack moves and how the ball behaves. The more you use this, the more dynamic and unpredictable the ball can be, for you to make a move that others can’t predict.
- Play with authentic footballs as wearable technology provides more ways for players to change its behavior.
- FIFA is the most authentic football simulation for the Xbox, PlayStation and PC.
- Simulations are quicker and more responsive than ever.

## **Exclusive in-game items:**

- Pre-order FIFA 22: Hangman’s Hexad Belt
- Ray Lewis – Pre-order exclusive for the Xbox One: Nike Hypervenom Emery 64
- Pirlo – Pre-order exclusive for the Xbox One and PlayStation: Nike Dunaka
- Squawka Man of the Match Live – Pre-order exclusiv: Nike Drake Unconditional

## **2022]**

FIFA (often abbreviated as FIFPro, FIFA International Football Association) is an association football video game series developed by EA Canada/Electronic Arts. It was created by Alex Evans in 1991. In addition to being a video game, FIFA also has a dedicated fan club and magazine. The FIFA series has sold over 350 million copies worldwide as of 2010 and has sold approximately 35 million units since its debut on the Nintendo 64 in 1997. Why is there a book in your hands? FIFA Soccer is a video game and a series of books. For those of you who can remember other video game series such as the Mario/Kirby/Zelda series of books, it's similar to that. There is a whole library of guides dedicated to each game that goes beyond the gameplay. The reason for the books, if you haven't read them, is that they are very in-depth and help the learning curve. If you have taken a class about video games, the players are the same, sometimes the rules are a little different and the object of the game is different, but the game is still fundamentally the same. The books cover the same information and also dive into graphics and the teams. The same rules of the game apply for all 12 teams (A-Z) and so does the information. There is definitely a reason to go through the books and not just pick up FIFA Soccer and go "huh, I got this". Why are they called books? Simply put, it's a reference to the fact that they are books and you can "check out" these books to learn and learn more. What better book to check out than the ones dedicated to FIFA? Exact meaning of the word book: a) a book or periodical that contains written material, esp. in a definite form and of a specified size, shape, and binding b) a book or periodical for gaining knowledge ---The glossary--- A book:1. any of various books of paper, plastic, metal, or the like, usually bound, made to be held or carried, and usually with pages fastened or bound together except those made to be unbound, called loose books. 2. any book that has bound leaves and is written on in permanent ink or that has permanent ink on the first page. 3. a set of books or leaves or portions of books assembled and

Build your ultimate team of stars and legends, and take it to the field on your favourite clubs across more than 20 million international

---

players. Dynamic Ultimate Team – A personalization system that lets you tailor your players to your specific needs, with personalized kits, improved skills and a comprehensive squad management system. You can then send them on to compete in online and offline mode, with your team selected for the most realistic player performances, and realistic weather conditions. Every time you start a match, your players will face entirely different challenges thanks to their level of experience and fatigue. Online Seasons – We’ve created a brand-new online Seasons system, which allows you to create multiple online seasons that are equally challenging and rewarding over the duration of your game. You’ll never be able to face the same opponents online twice, thanks to a new online player opponent difficulty rating and the ability to choose which teams you play. True Player Performance – Every player’s abilities have been heavily revamped thanks to a new physics engine, which will make the player’s behaviour more realistic and give you more control of the player’s attributes. Find out who’s better by comparing their stats and then using the new Custom Tactics feature to unlock new skills and special team-related abilities. Friendly Seasons – Play competitively at your club and face familiar opponents and play with your friends in a whole new environment with exclusive themed matchdays including a new Rivals Playday and Friendlies. New Player Ratings and Manager Ratings – Improved Player and Manager ratings that take a player’s potential, tactics and strengths and weaknesses into account when calculating a rating. Players’ skills will impact their overall rating, but also influence the rating of their kit and their squad’s tactics. Equipment – A brand-new player equipment system will let you customise your squad and create your dream team. You’ll get improved kits and even customise your boots, gloves, backpacks, socks and shinpads, and start every match with the biggest and best kit in your starting squad. More Player Resolutions – Step into the shoes of more than 20 million international players and discover unique player traits and a deeper customization system. You’ll make more players more individual with each of their own personal traits, all of which will impact their overall rating. Matchday Settings – Get more control of how you want to play, with four different Matchday settings. Choose your difficulty

## **What's new:**

- 
- **Includes “FIFA’s most realistic camera ever” and landmark animations to give players even more personality and movement.**
  - **A goal celebration content update puts new players to the test with five new Goal Scenes, taunts and World Stars including Zlatan Ibrahimovic**
  - **In FIFA 22, online gameplay is even more immersive with Pro Player Targeting; make your next move with pre-knowledge of team-mates, refs and rival players.**
  - **Customer Reviews**
  - **Key Game Features**
    - **UEFA Champions League and Europa League Live Leagues**
    - **Career Mode: Live your Dreams as both a manager and a player with new challenges and career levels.**
    - **Linked Ultimate Team: Be the Master Match Maker and have success throughout FUT World.**
    - **Player Path is Reimagined: The way players generate levels is new, as you play your way to the highest level.**
    - **New celebration moves: Players can celebrate in famous football moments of the game.**

- 
- **New relationships in FUT Fans Mode: Create your fans' wall of support, create unique and individual fan photos, or meet them at Club Turf Tournaments. Clubs also rival fans providing more interaction and passion.**
  - **Dynamic Striations: Add a new layer of depth to your team by choosing a new team look, kits and more. More than 25 creatives from the world's best football leagues are available.**
  - **Achievements: Unlock achievements as you improve your skills in Career Mode and sharpen your skills in Friendlies.**
  - **Pro Player Injuries: Unlock and analyse your stats, progression and rise to the top as you improve your fitness and skills.**
  - **Women's Teams: FIFA includes the first official women's football tournament with FIFA Women's Champions League, FIFA Women's World Cup France 2019, Algarve Cup and more!**

---

**FIFA is the most authentic football franchise of all time, and is the most popular sports video game franchise of all time. The first FIFA game took the concept of simulation gaming and turned it into a living breathing sport full of stars, trophies, stadiums and rivalry, all on a massive scale. Hugely successful, especially in Japan, where it became the best-selling sports videogame of all time. FIFA continued to evolve in every game and, over the last 25 years, it has captured what it means to play and experience football. Finally, FIFA 20 will reveal the game's biggest innovation to date: Ultimate Team. Create your Ultimate Team from more than 300 authentic footballers, including the likes of Neymar and Eden Hazard. Every player you buy will come with their own unique skills, attributes and formation. Over time, as you unlock even more players, your Ultimate Team will evolve and grow. You'll become a virtual manager managing your squad's formation, training and tactics to compete on all the FIFA 20 game modes - from the new free-kick power-ups, to the return of the popular create-a-player mode.**

---

**But where FIFA 19 gave you the chance to share your team with others by joining online leagues, Ultimate Team will be all about creating your team, with your friends, and competing with them on FIFA 19's biggest game mode: Showcase. Ultimate Team is coming to FIFA 20, but we're also introducing a much needed and loved update to the Ultimate Team matchmaking system. From now on you'll be able to create matches for up to ten teams, either with friends and/or online. The pitch is yours... The journey has just begun. It's time to take on the opposition and win the game. In FIFA 20 we've taken the game's controls and adapted them to a more immersive experience. The new Pro Controller offers a totally new layout and new gamepads like the Xbox One and PS4 offers better support for PS4 Pro and Xbox One X. Whether you are playing on your favourite console or on a PC, your controls are guaranteed to be smooth and easy to use. Prepare to be shocked. In FIFA 20 we've seen the evolution of football. We've got to a point where football is even more free-flowing and dynamic than ever before**
