Roblox is a virtual world for users to go on adventures and create their own games and experiences. You can create a single player game or build on the Roblox platform with our technology to power MMO (massively multiplayer online), AR (augmented reality) and VR (virtual reality) experiences. Roblox is free to play and developers work on the platform for profit and/or for their own learning experience. **What's new:**

Yes, but if you are looking for free robux, you shouldn't bother with us. As you can tell, the majority of websites offering free robux are trying to scam you. You should always be careful when playing on the internet, especially when it comes to playing games online. That's why we have put together a list of websites that are scam or offer fake robux. Anyone can make an account on the Roblox site and take advantage of many players. For now, the site seems legit and offers many options for games such as Minigolf, Zombie Baseball, Bounce Ball and a few others. The Roblox has been categorized by The Scam Radar and has been put down as a scam. Most of the online reviews on the website have also been put down as scams by some of the players that have experienced fraud through their accounts. As Roblox starts getting more popular, there will be a lot of scammers trying to create free accounts. We have included Roblox on our list of free robux generators that you will not be able to trust. We have done this because the site has a lot of security and is extremely easy to steal and hack. We have highlighted the best Roblox generators for you and have explained why it is not legit to use. Roblox only issues legitimate currency, not free robux that you can't use on the site. Here's the complete list of the Roblox scammers and free robux sites. Website The Scam Radar Online Trustpilot Our opinion Roblox Description Social media Kids Over 18 All providers Free to play game that is aimed at children Kids and Family Parents Minutes with Roblox Roblox free robux and gifts Parents and children Roblox For Kids Empire State Reversal Yes No All Roblox To be honest, Roblox is a legit website that offers real robux for real money. Every account is completely free and there are no hidden payment platforms like the other website at the moment. There are no hints about how Roblox really works. The website is safe and games are easy to play and little bit of fun. Some people pay for robux and there are a lot
