

In India, what are the **best places to visit in march?**

This can be regarded as a popular question among many individuals who are planning to have a vacation this March. Some of you might be looking for a calm and soothing experience away from the city chaos. On the other hand, some might be planning to celebrate the festivals of this month by visiting places of cultural significance. Here, we will be looking at some of the [best places to visit in march](#) in India. As we all know, March marks the onset of summer with the soothing warm sunlight that creates a relaxing atmosphere which is perfect for vacations. So without further delay, let's start our discussion regarding the best places that can be visited in March.

Jaipur, one of the **best places to visit in march**

Jaipur, also called the Pink City, is a place you shouldn't miss out. This city in Rajasthan is well-known for its grand Holi celebration, which lasts for two days. This Holi celebration in Jaipur is called the Dhulandi festival. The city celebrates the first day of Holi with a traditional bonfire after sunset, called Holika Dahan. This is done to celebrate the triumph of good over evil. The following day, the Pink City celebrates Dhulandi, the festival of colors. The city folks smear each other with different colors, making the Pink City even more colorful. Music and dance are always present during this celebration. In recent years, this event in Jaipur has gained immense popularity. Apart from that, Jaipur also celebrates its elephant festival in March.

Kodaikanal

March is considered to be the best time to visit Kodaikanal. Kodaikanal is an amazing hill station that is located in Dindigul district of Tamil Nadu. It is surrounded by valleys, lush green forests, and clear waterfalls, which never fail to enhance the beauty of nature. The attractiveness of this place reaches its peak level in the month of March, thus attracting a lot of tourists from across the country. You can either go on a forest trek or enjoy the beauty of the waterfalls, especially Thalayar Falls, or you can simply sit back and take in the scenic beauty of the mist-covered hills with a cup of coffee. If you are a nature lover and love trekking, then Kodaikanal is the best place to relax this March.

Rishikesh

This can be regarded as one of the **best places to visit in march**. Rishikesh is ideal for those looking to unwind in a calm setting, away from the hustle and bustle of city life. Rishikesh is home to numerous cafes, meditation centers, and yoga studios. The main thing that attracts the tourists to Rishikesh is the International Yoga Festival, which is held for a week in the month of

March. Parmarth Niketan and Hotel Ganga Kinare are the main places where this festival is held. During this time, this holy city buzzes with tourists from all over India. It is a serene experience for yoga lovers who can get a glimpse of famous religious saints and teachers from all over the world.

Conclusion

Thus, from our discussion of the topic, “**best places to visit in march** in India”, we can conclude that there are a lot of places across India which are ideal for vacation during this month. You can choose a place that is best for you depending on whether you are a beach person, a mountain person, or you just want to enjoy the calmness on the outskirts of the city. The best thing about March is that it marks the ideal time for visiting a lot of places that can't be enjoyed during the scorching summer in India.
