

NEW VILLAGE BRAID

ECO BRAIDING HAIR

New Village Braid

New Village Braid makes soft, light, and eco-friendly braiding hair that's kind to your scalp and the planet. Created by someone with a background in fashion and tech, the brand focuses on safe, comfortable, and stylish hair. Their braiding hair is breathable, itch-free, and made without harsh chemicals. They also help you recycle your used hair, so you can feel good about your style choices. New Village Braid is all about healthy hair and confident beauty, made simple.
